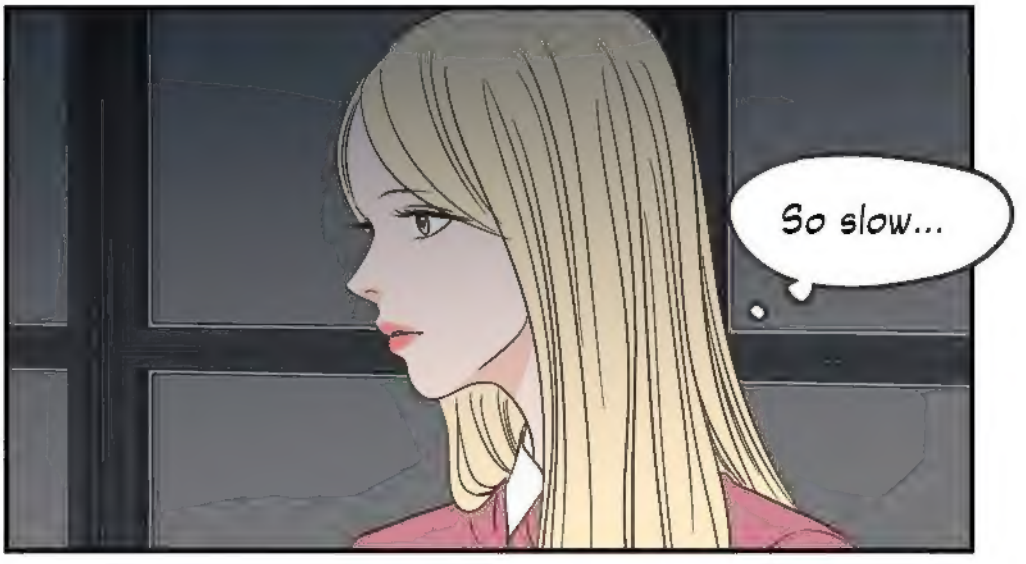
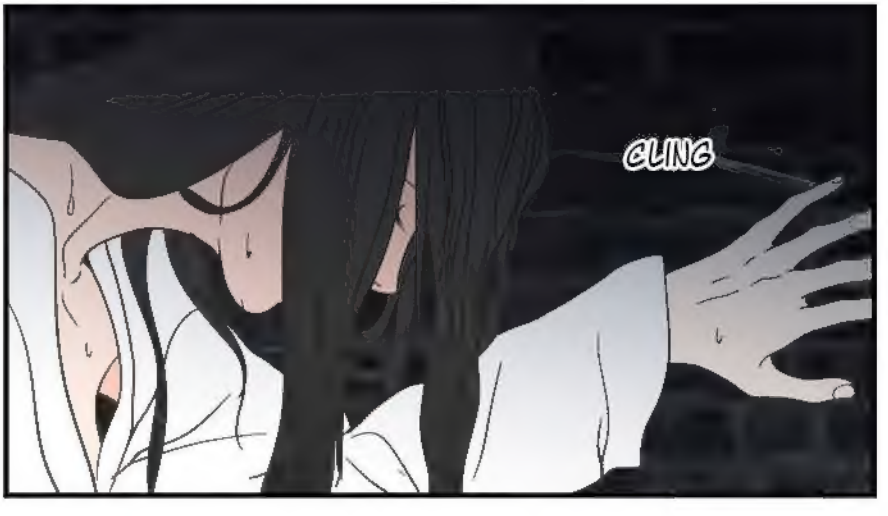
What does the fox say?

CHAPTER 13



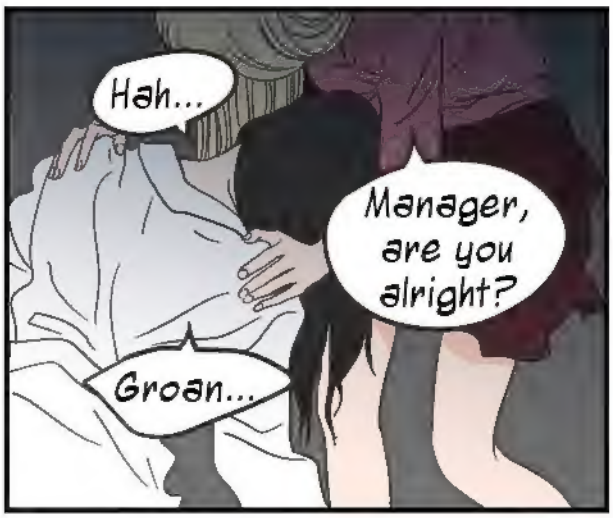
So slow...

STEP STEP



CLING

Manager!

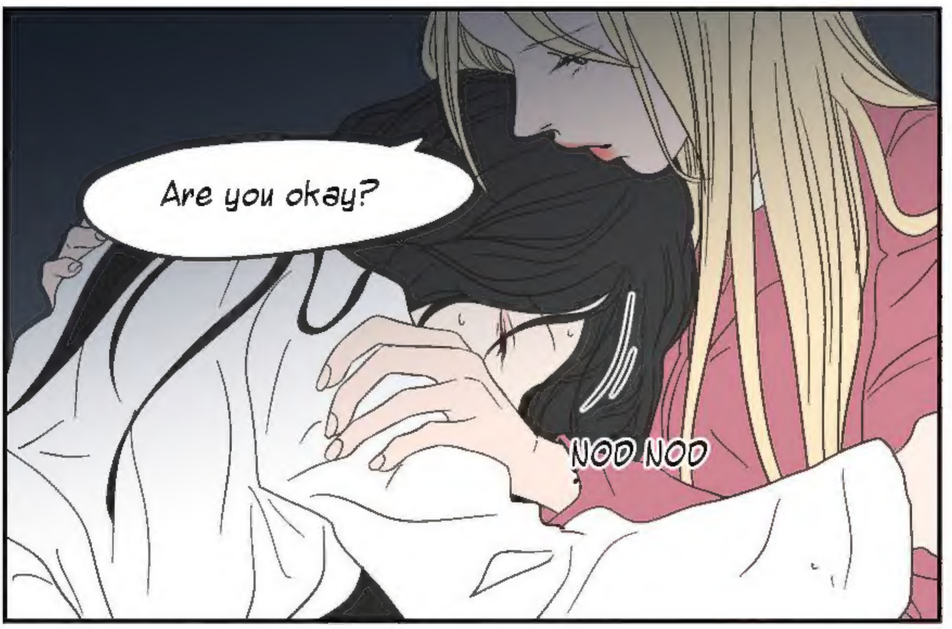


Hah...
Manager, are you alright?
Groan...

Hah...hah...
Breathe...
Did you take a shower?

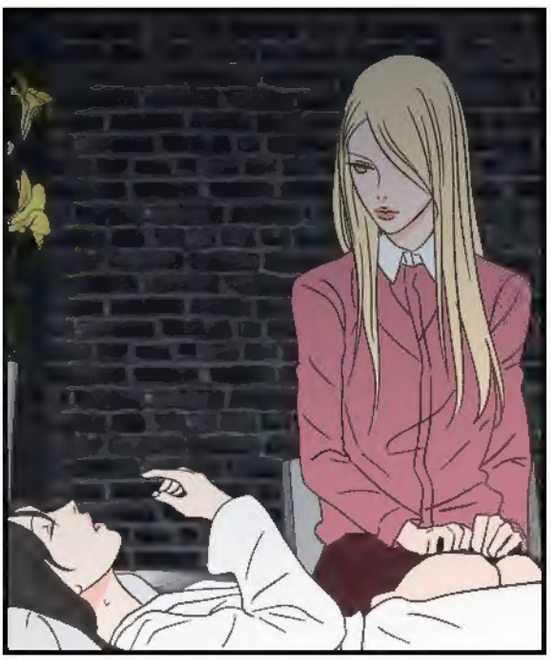
Hah... It was too hot...
Showering after you drank so much.
No... I should call someone.
Hah...

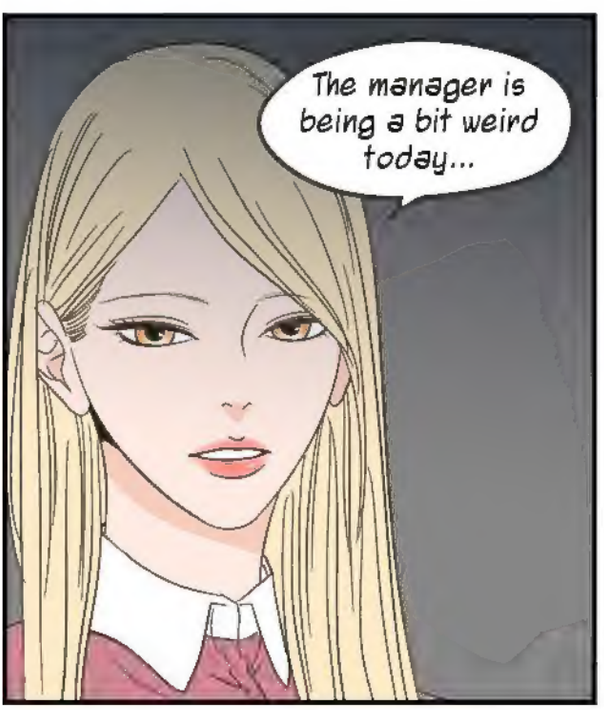
I'm fine.
I just need to lay down for a bit...
Hah...
Hah...



Are you okay?
NOD NOD

Sigh...





The manager is being a bit weird today...

Hah...

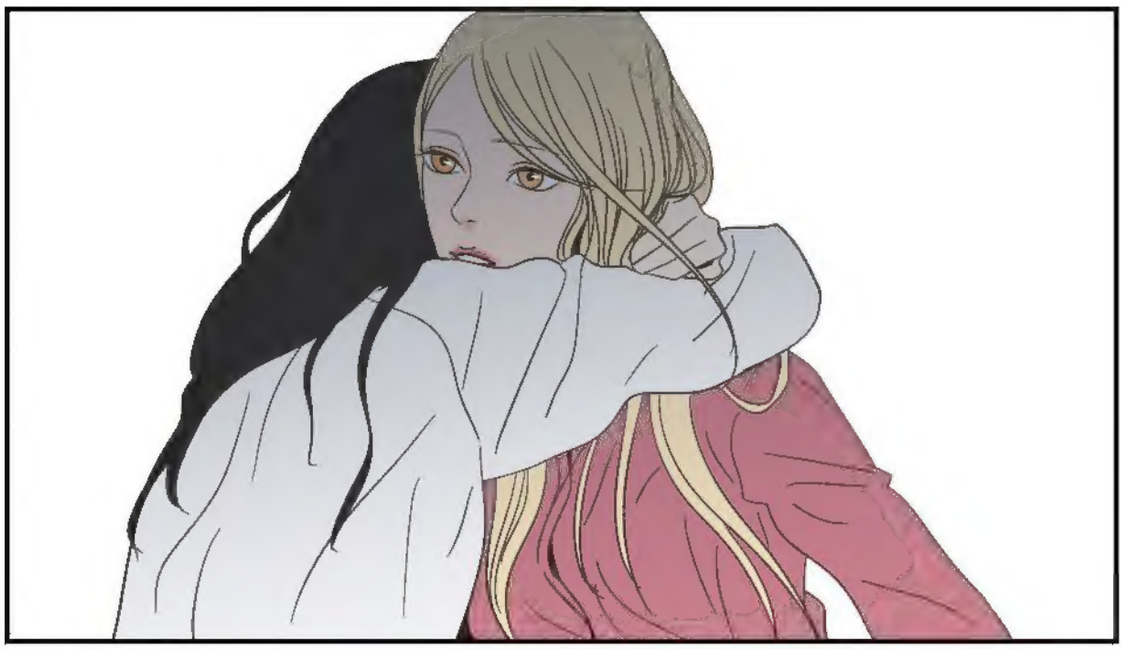
Me?

The one who's being weird is you isn't it...?
It was just a phonecall, and you came all the way to the funeral home.
You didn't know why you even did that.
That...

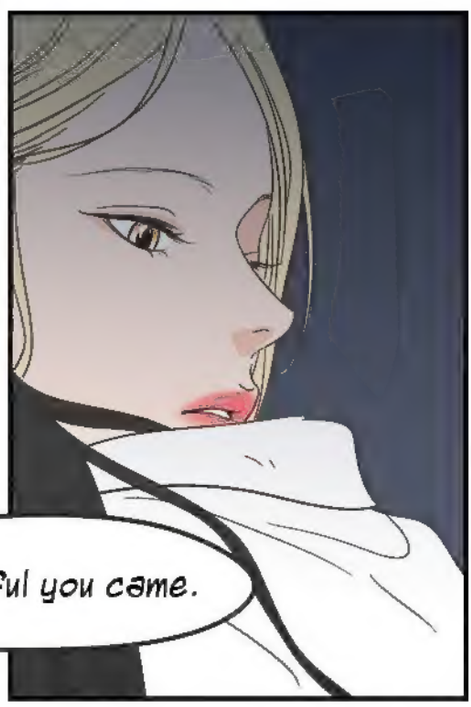
Sympathy?
It's not sympathy.
Then what is it?

.....

Ju Sungji.

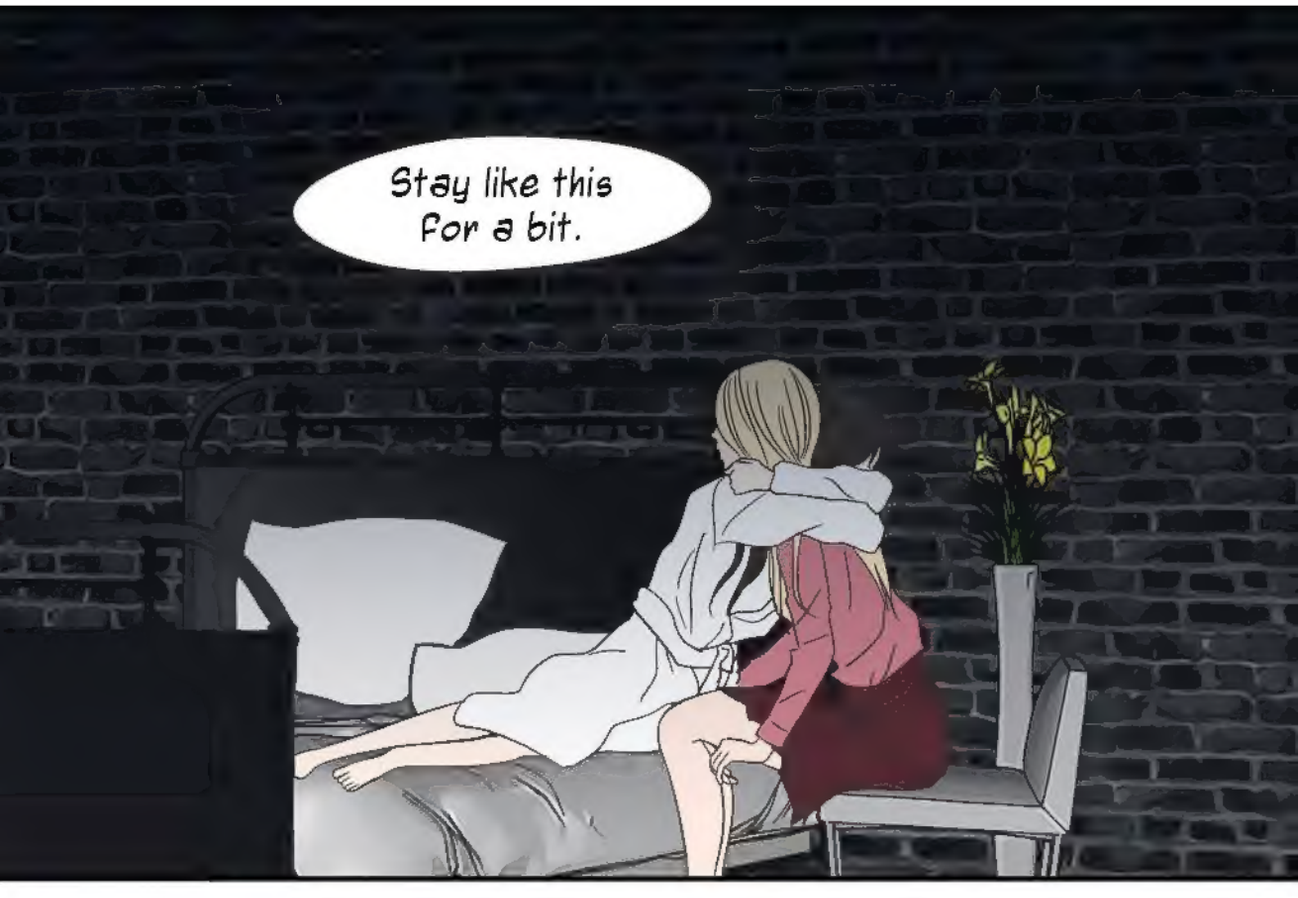


It's already ten years. Why does it still haunt me?
Today is really a painful day.

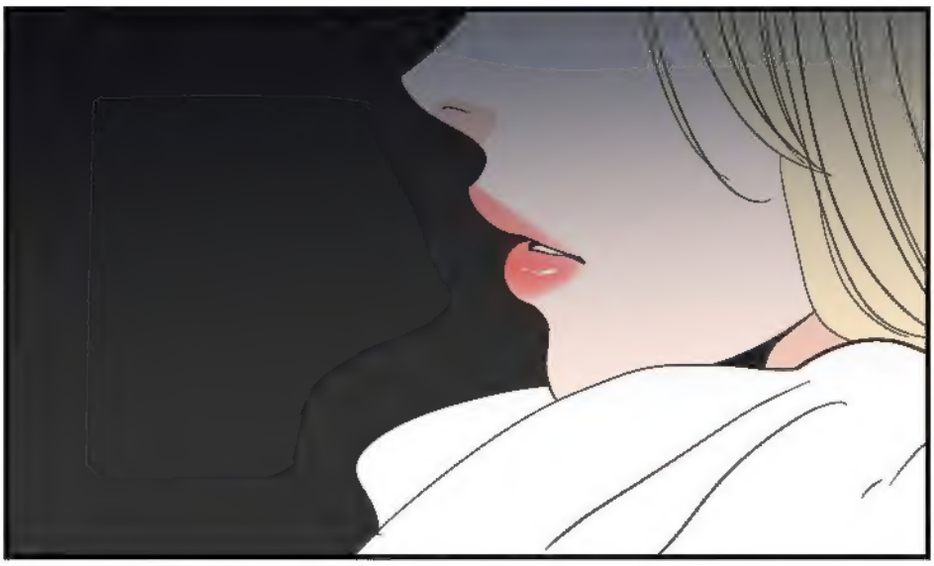


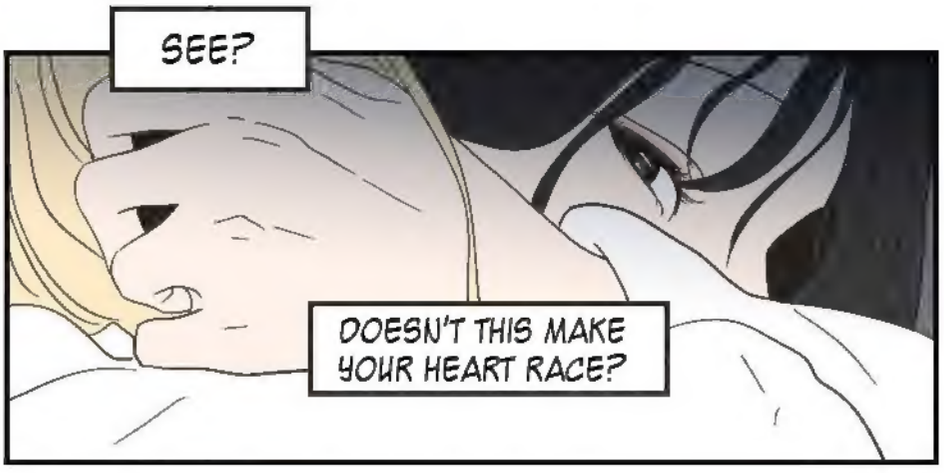
I'm grateful you came.

Should I help you dry your hair?
Just...

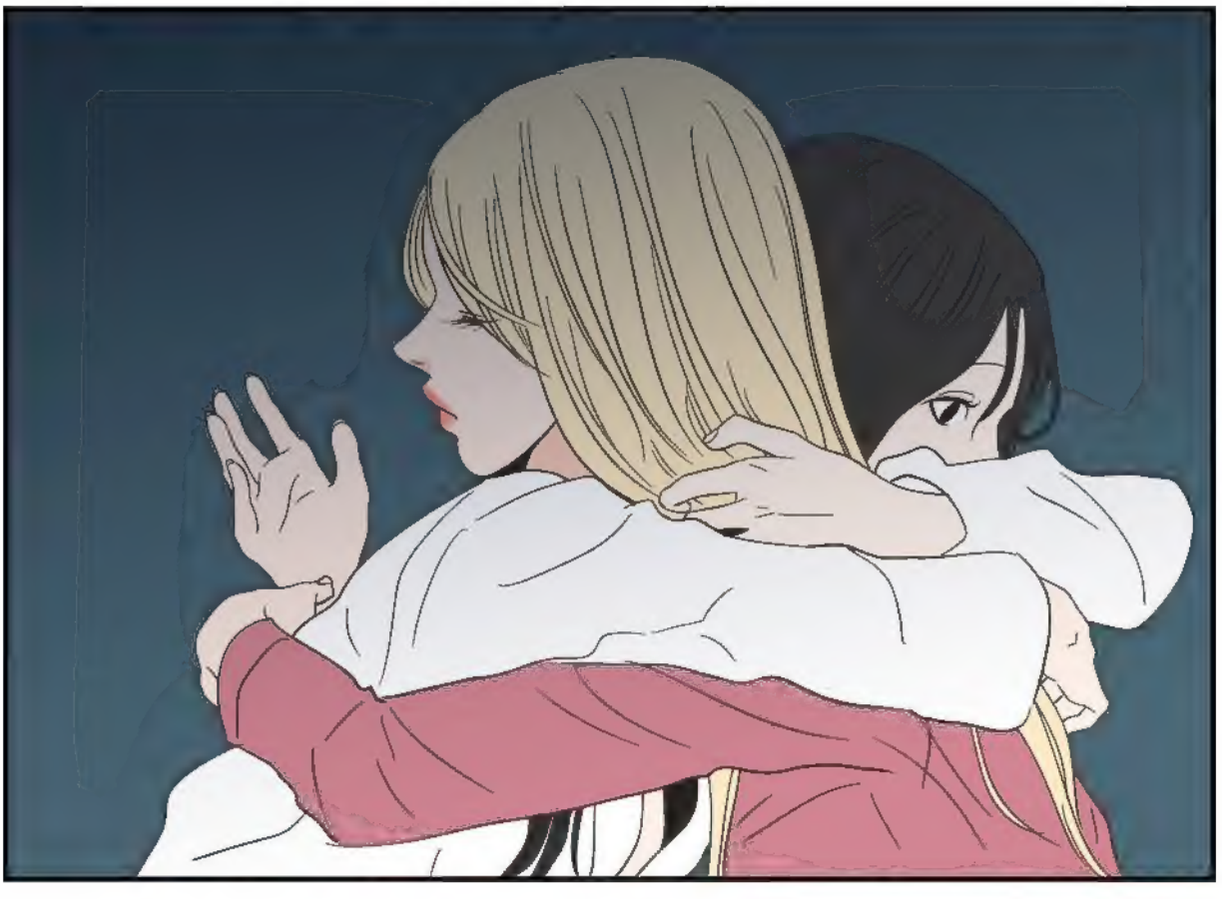


Stay like this for a bit.



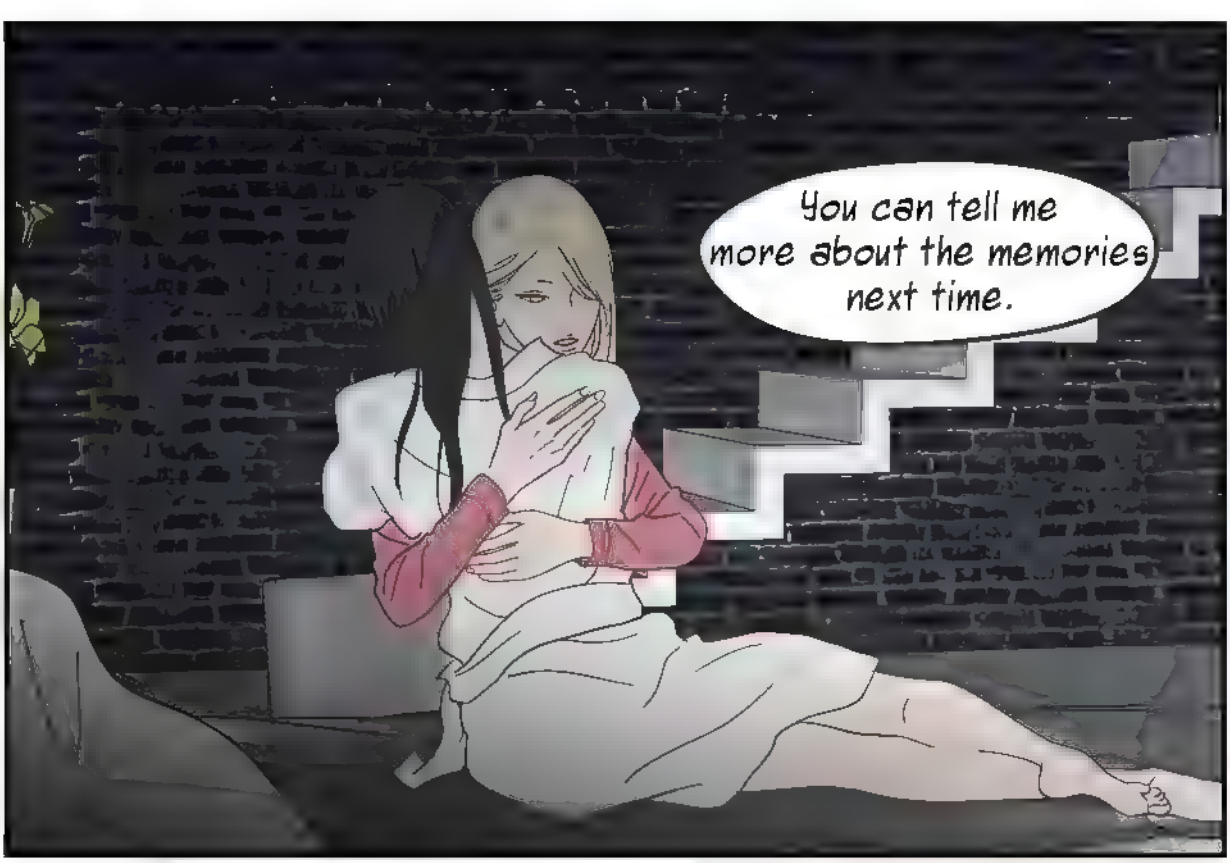


SEE?
DOESN'T THIS MAKE YOUR HEART RACE?

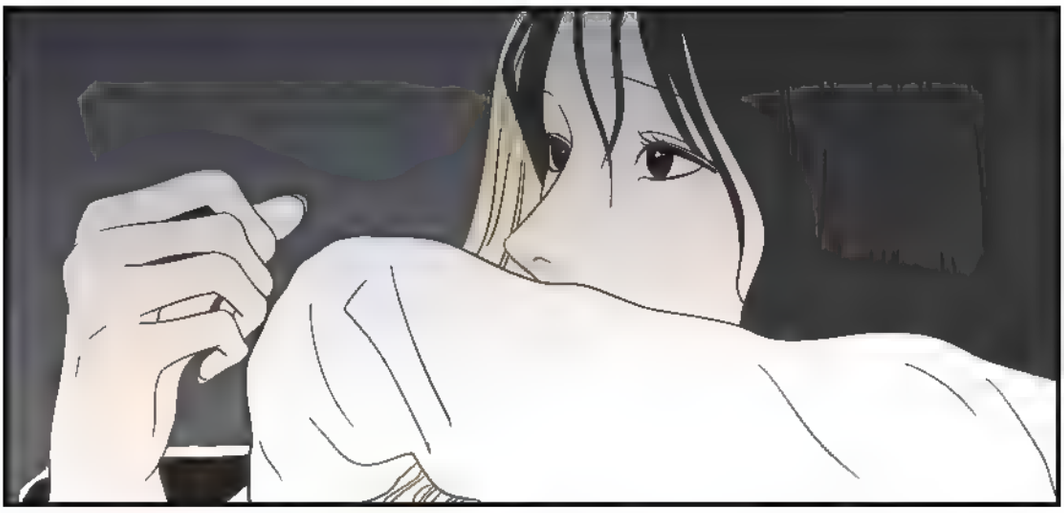


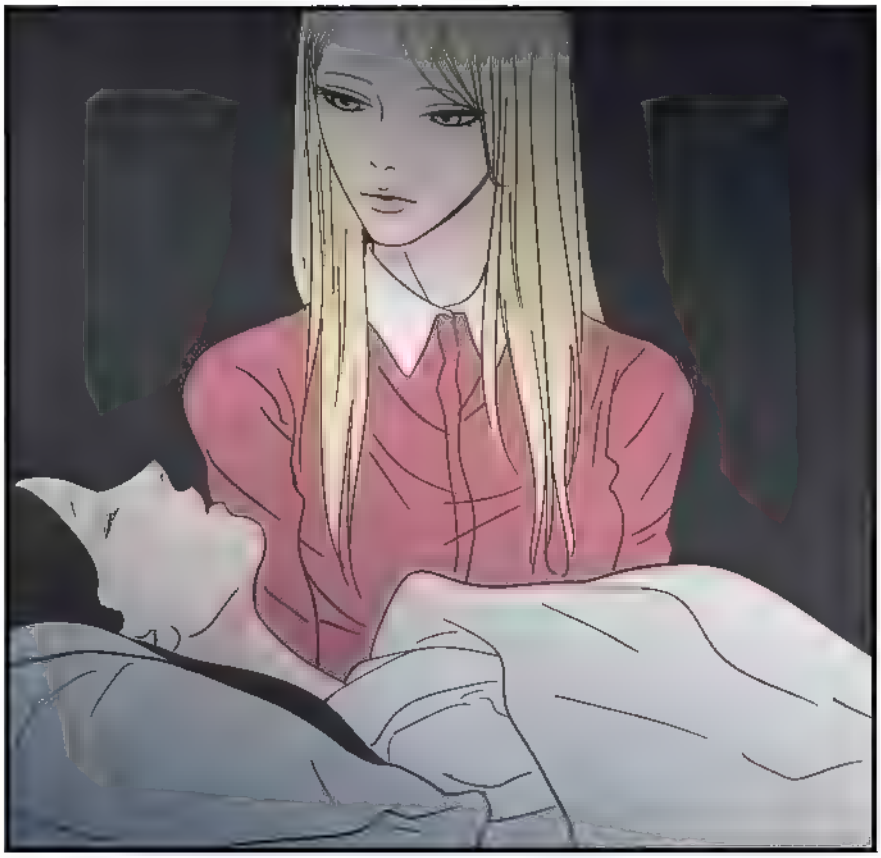
You said I can say anything, right?
?

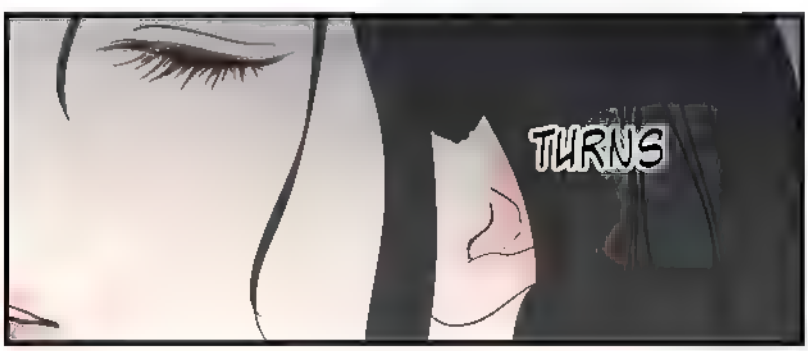
Even if it was painful, you still endured it. Compared to the hurt, it's more because of those fond memories, right?



You can tell me more about the memories next time.

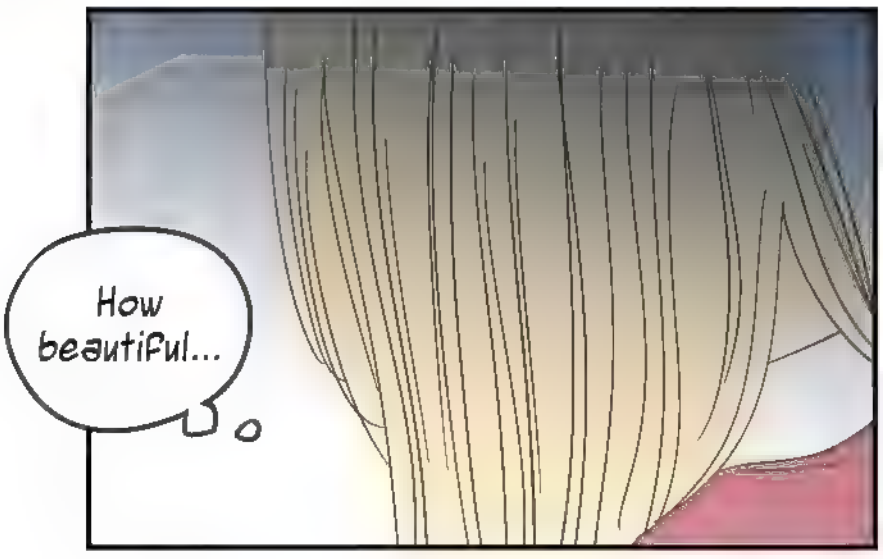




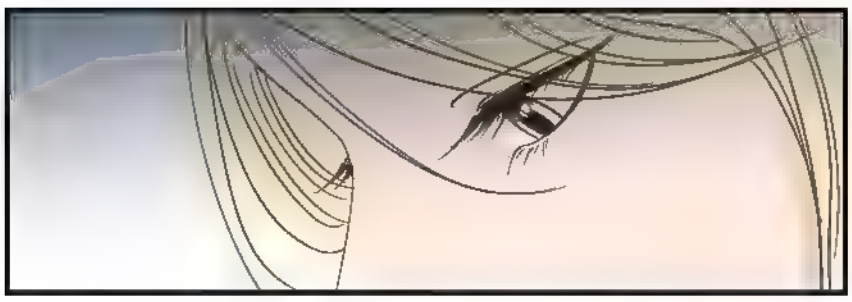


TURNS

Mm...



How beautiful...



SHA SHA

CREEKS

SHA SHA

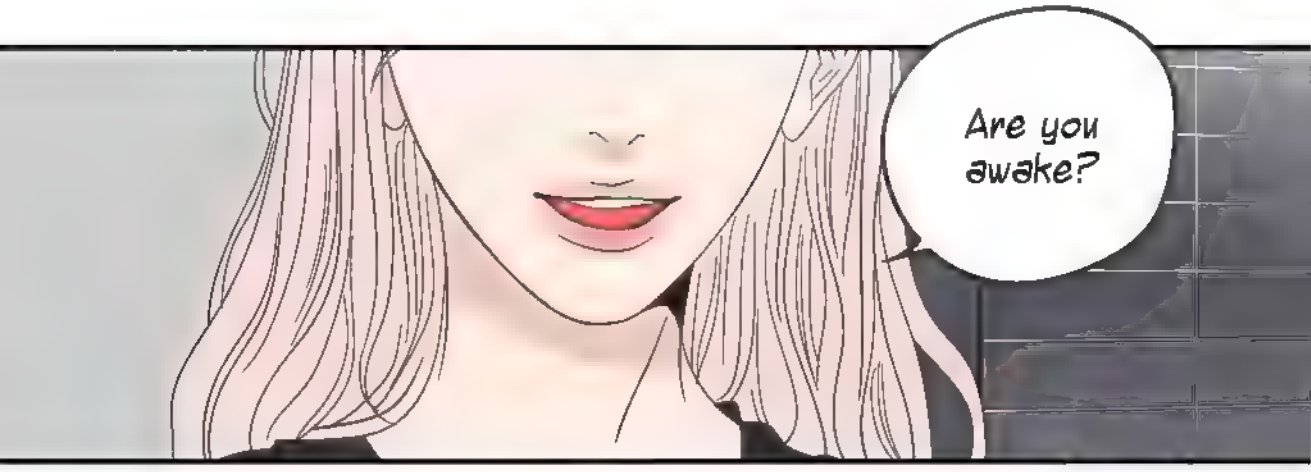
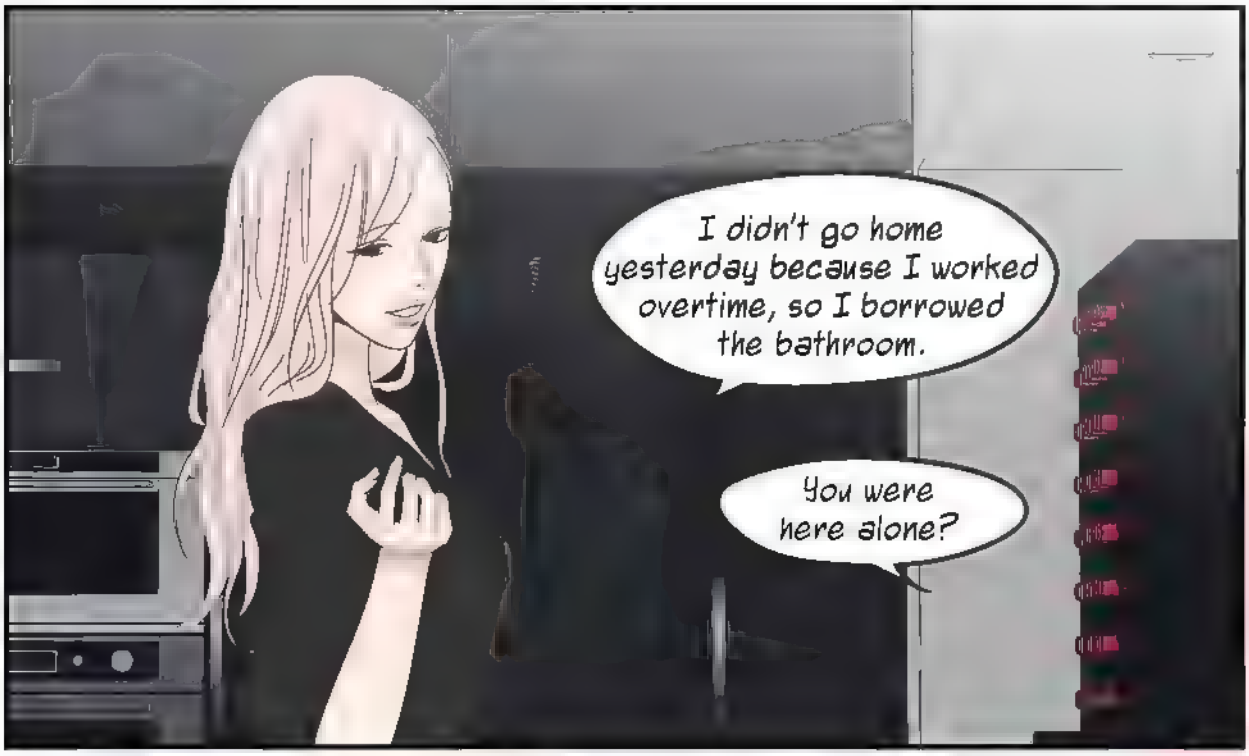
WAKES



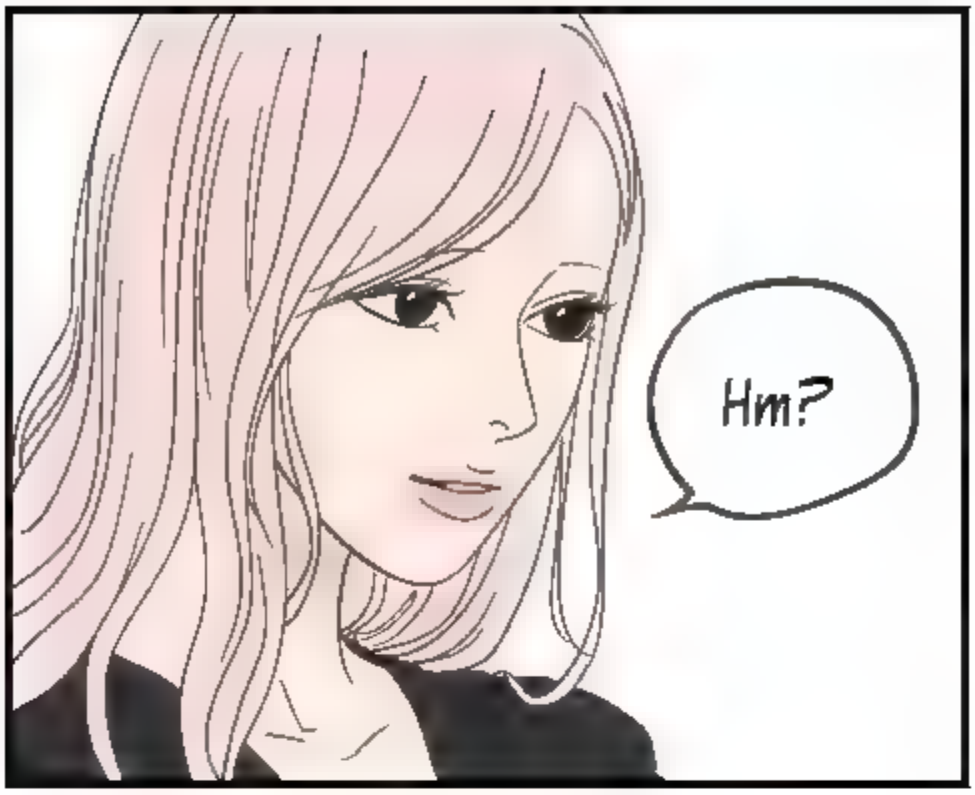
Are you awake?

.....
Looking at your hair, did you not dry it before you slept?

What time is it?
Nine.

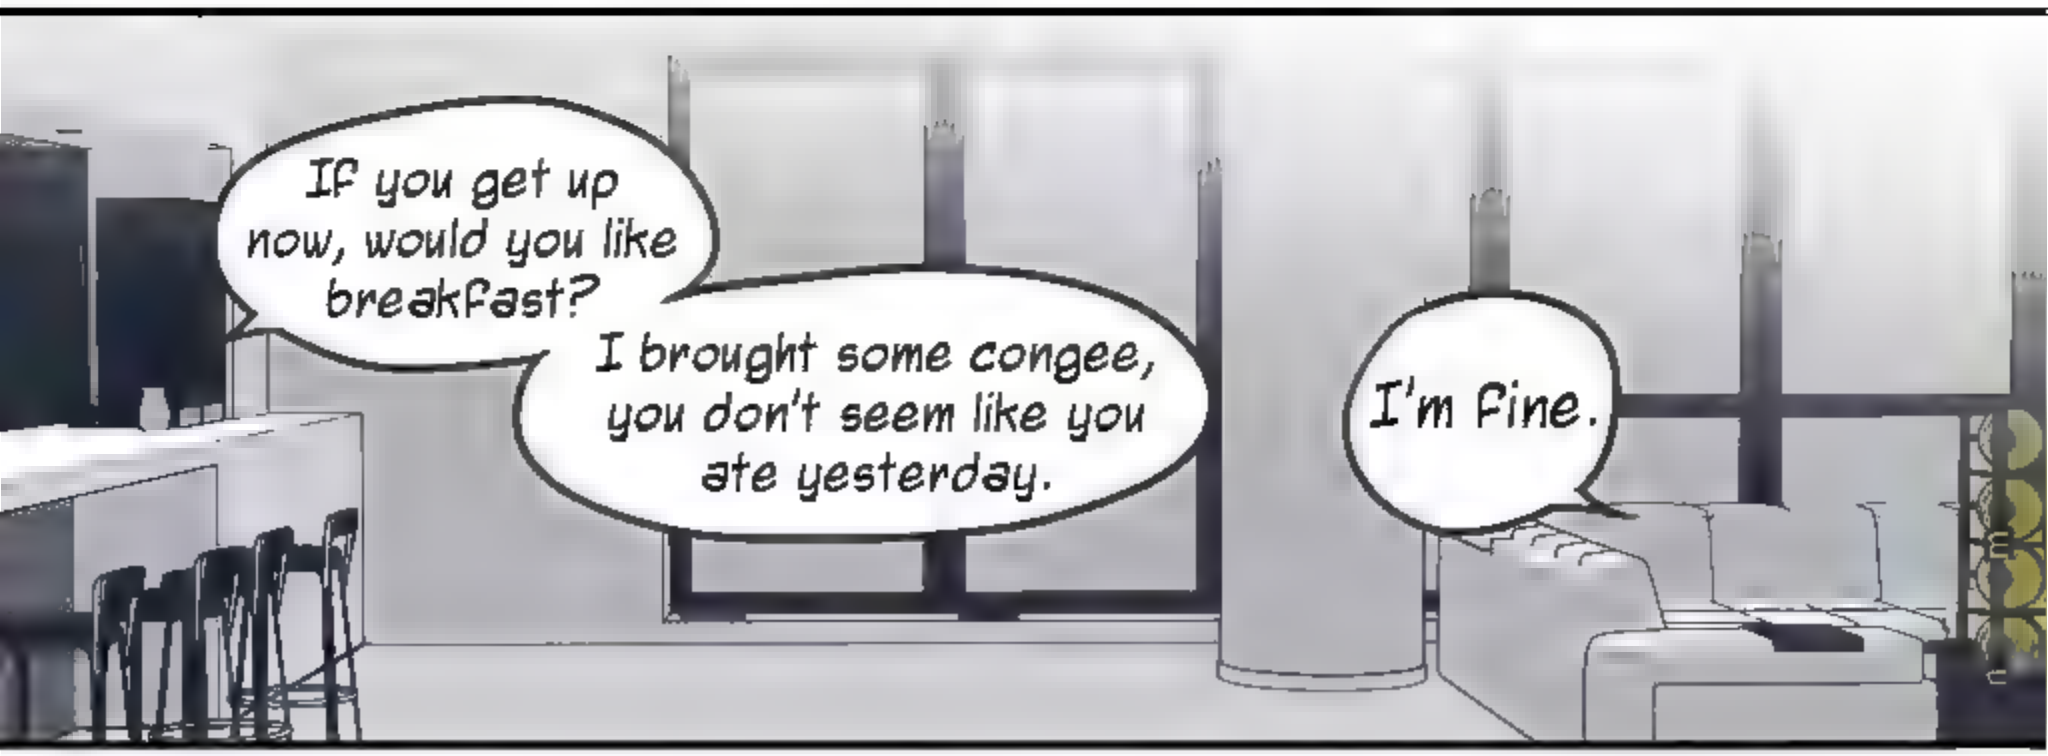


I didn't go home yesterday because I worked overtime, so I borrowed the bathroom.
You were here alone?



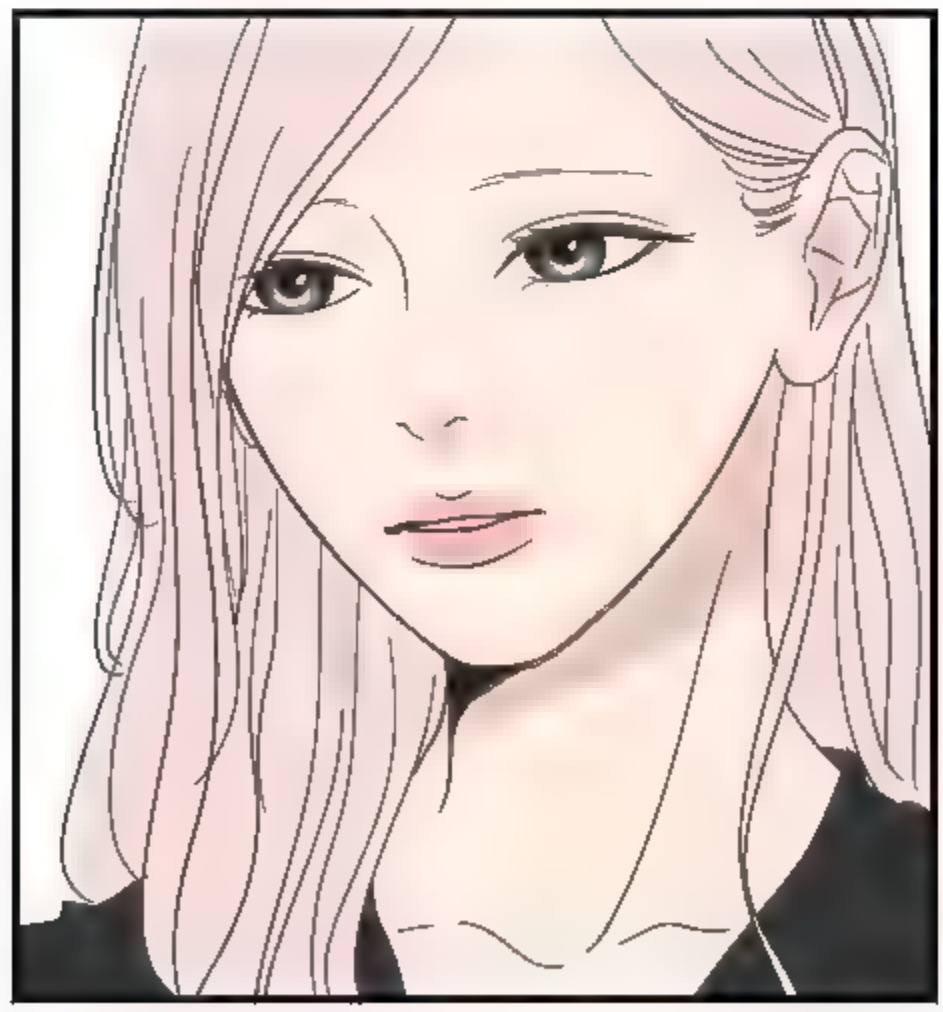
Hm?

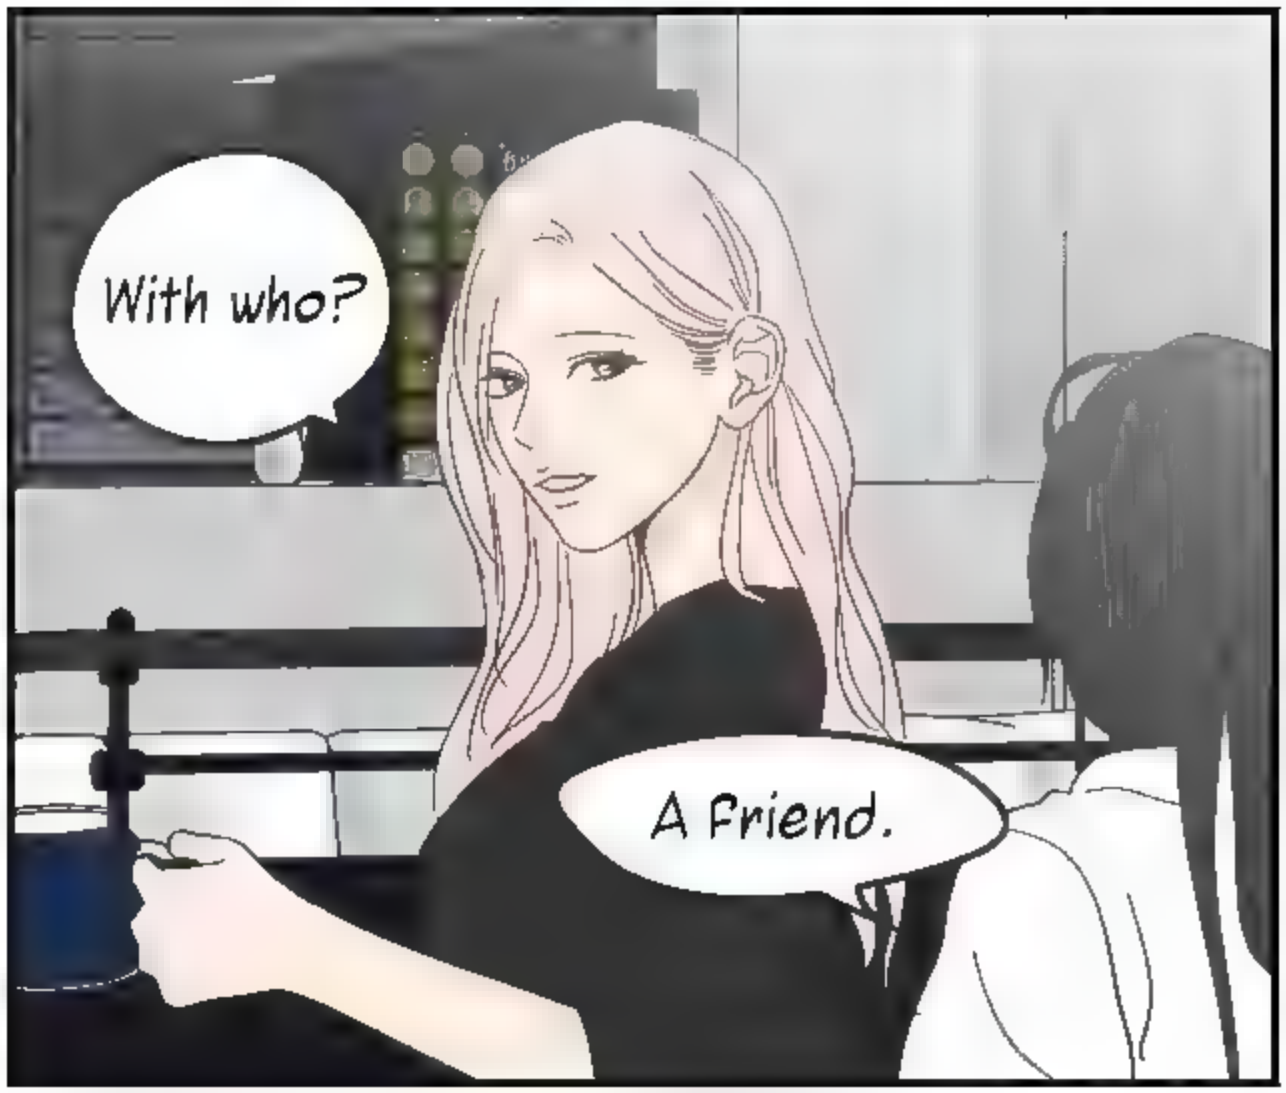
... Nothing...



If you get up now, would you like breakfast?
I brought some congee, you don't seem like you ate yesterday.
I'm fine.

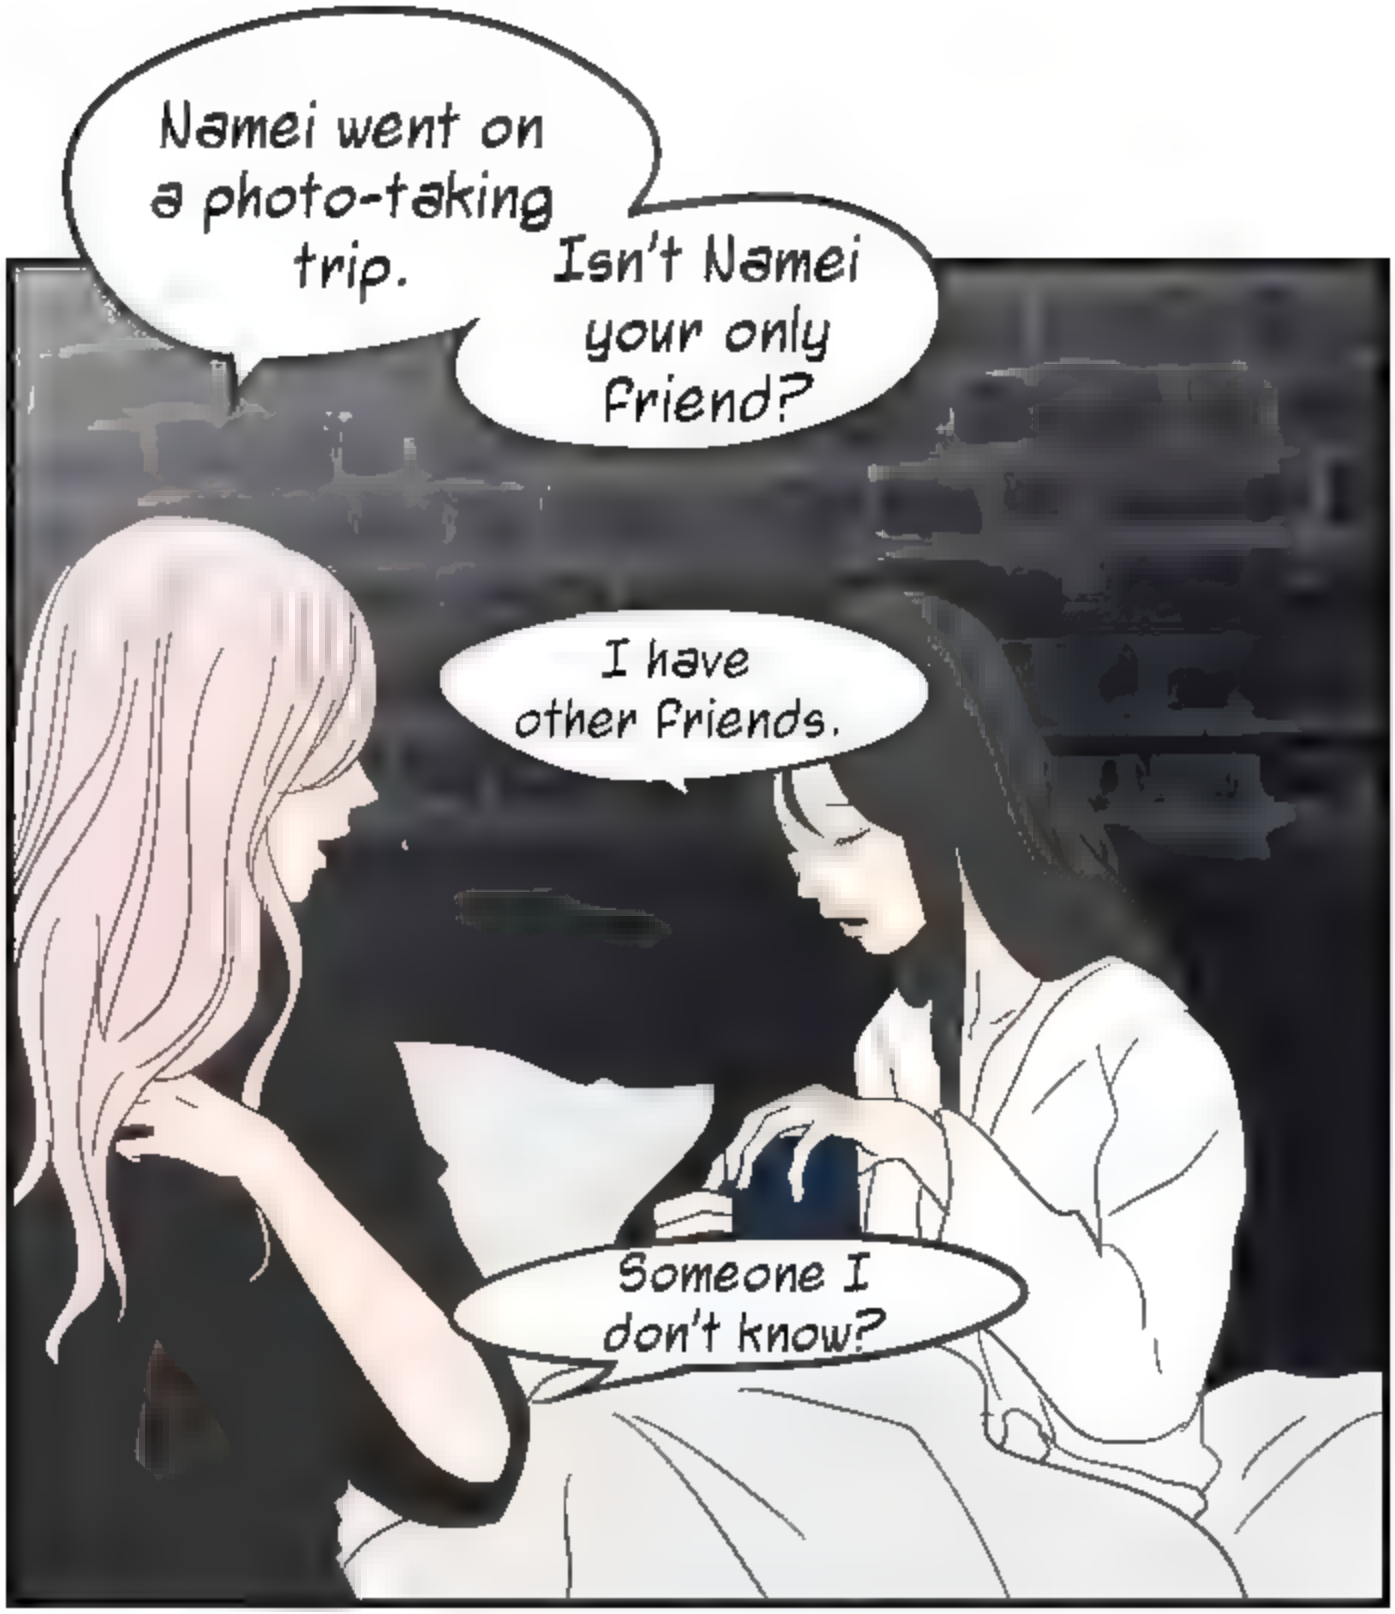
I'll leave after I put this here. Eat it if you want.
I already ate.



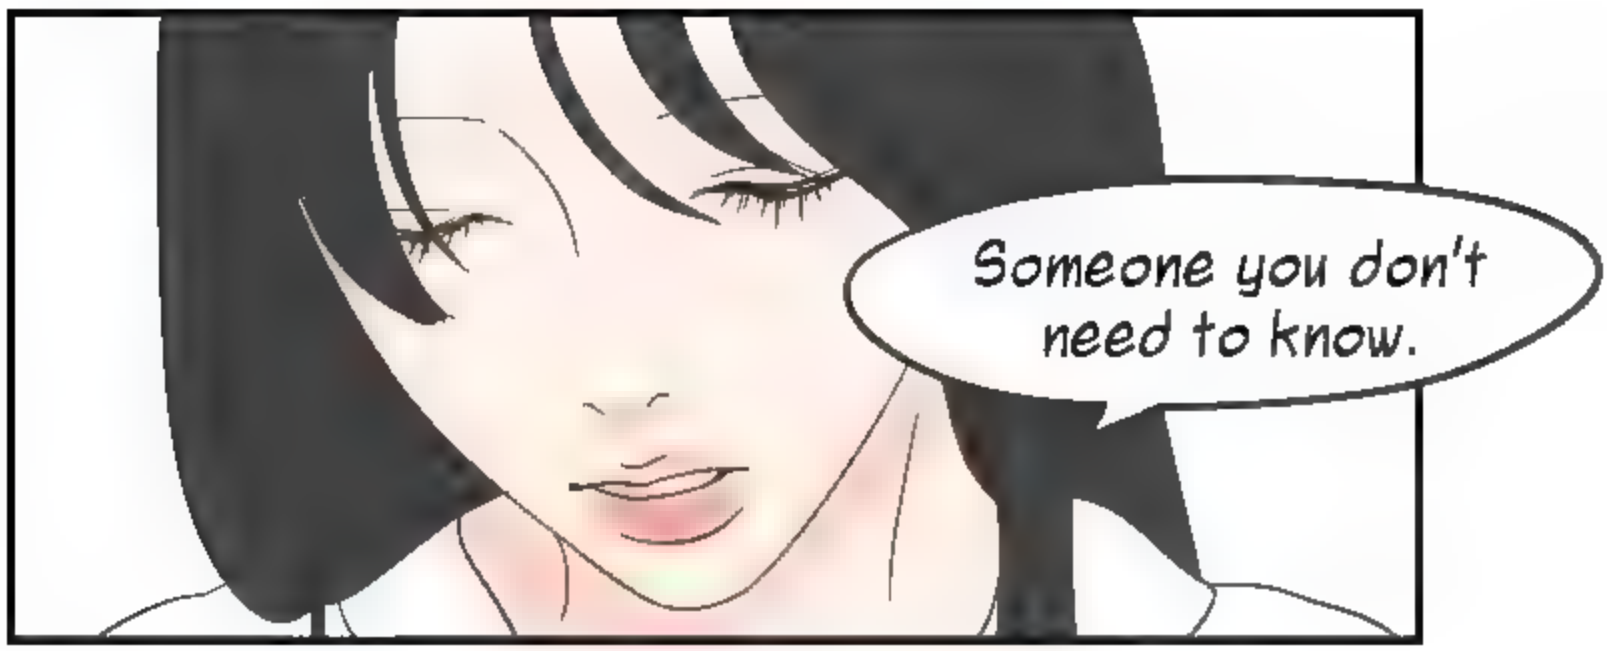


With who?
A friend.

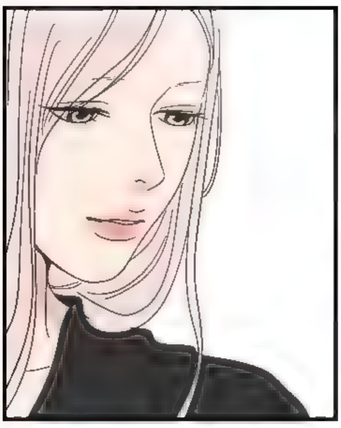
Liar.

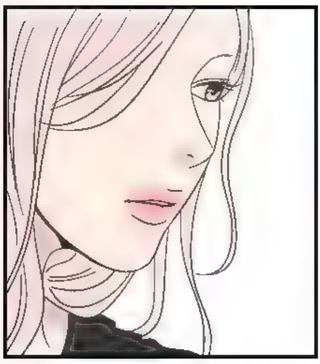


Namei went on a photo-taking trip.
Isn't Namei your only friend?
I have other friends.
Someone I don't know?

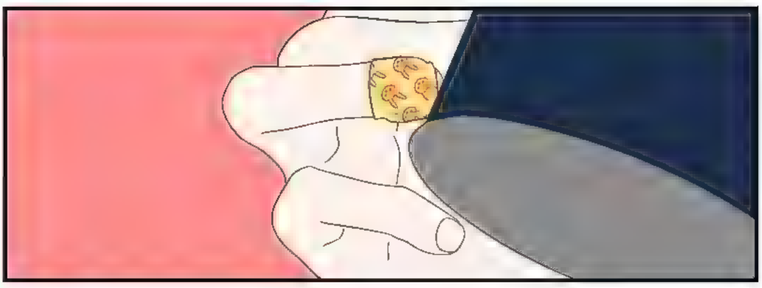


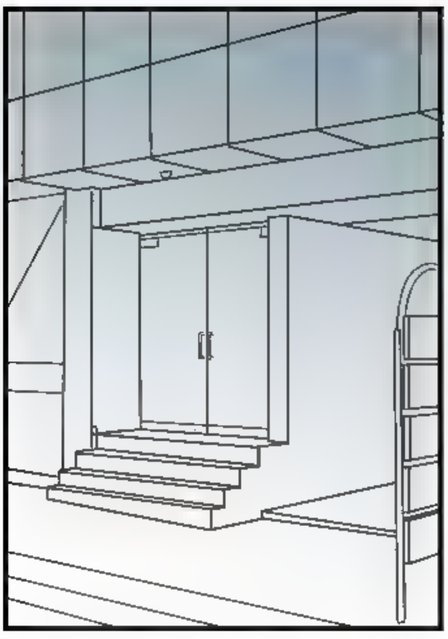
Someone you don't need to know.

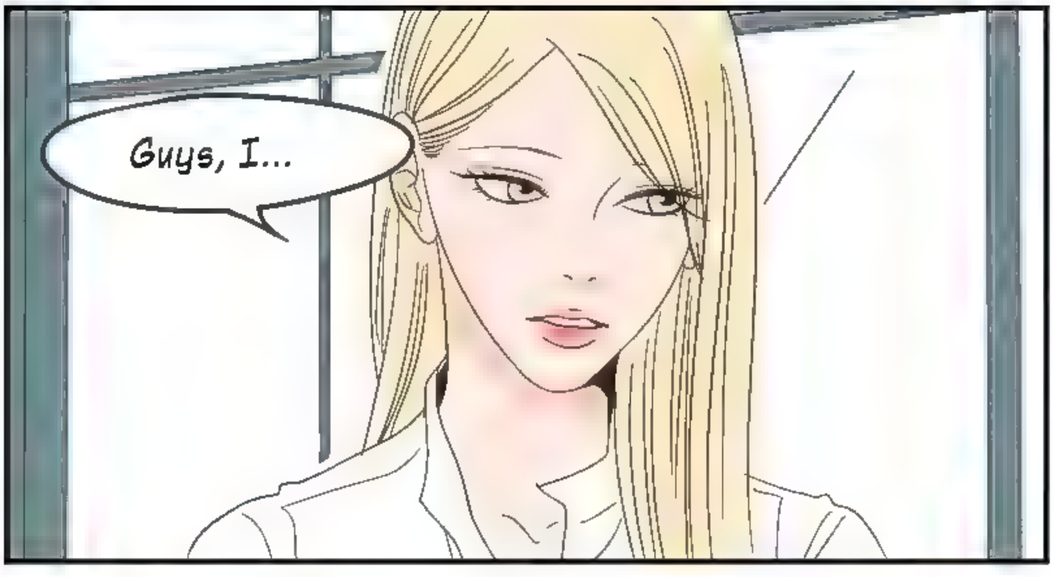




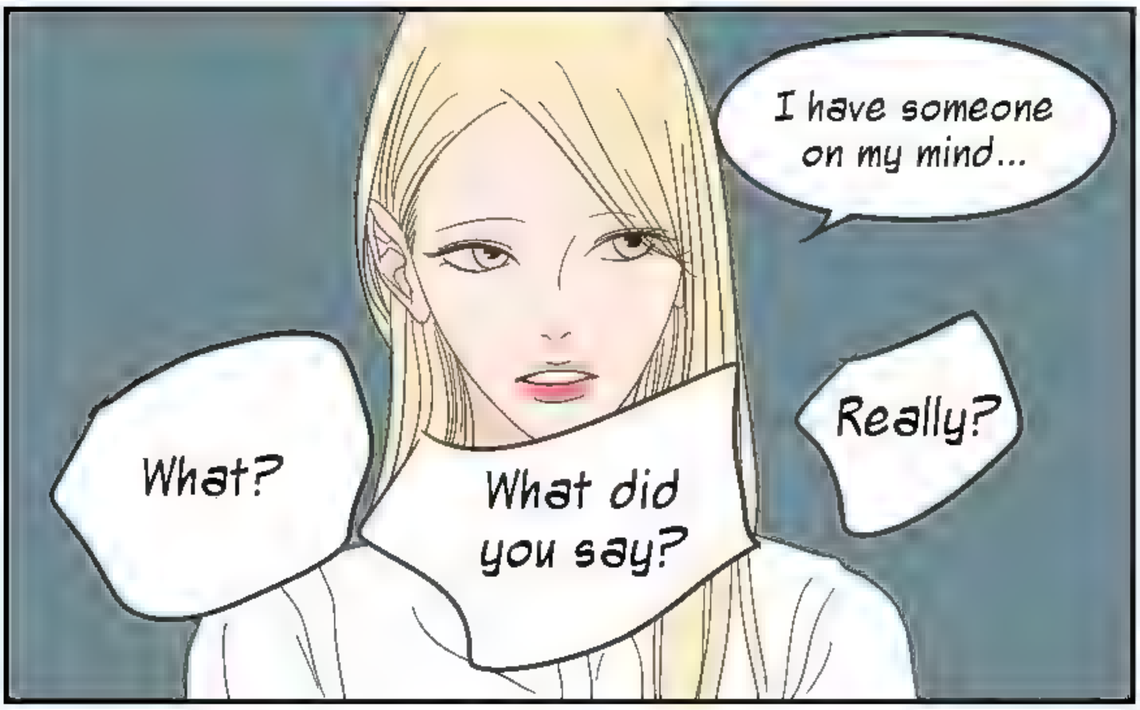
Are you hurt?
?



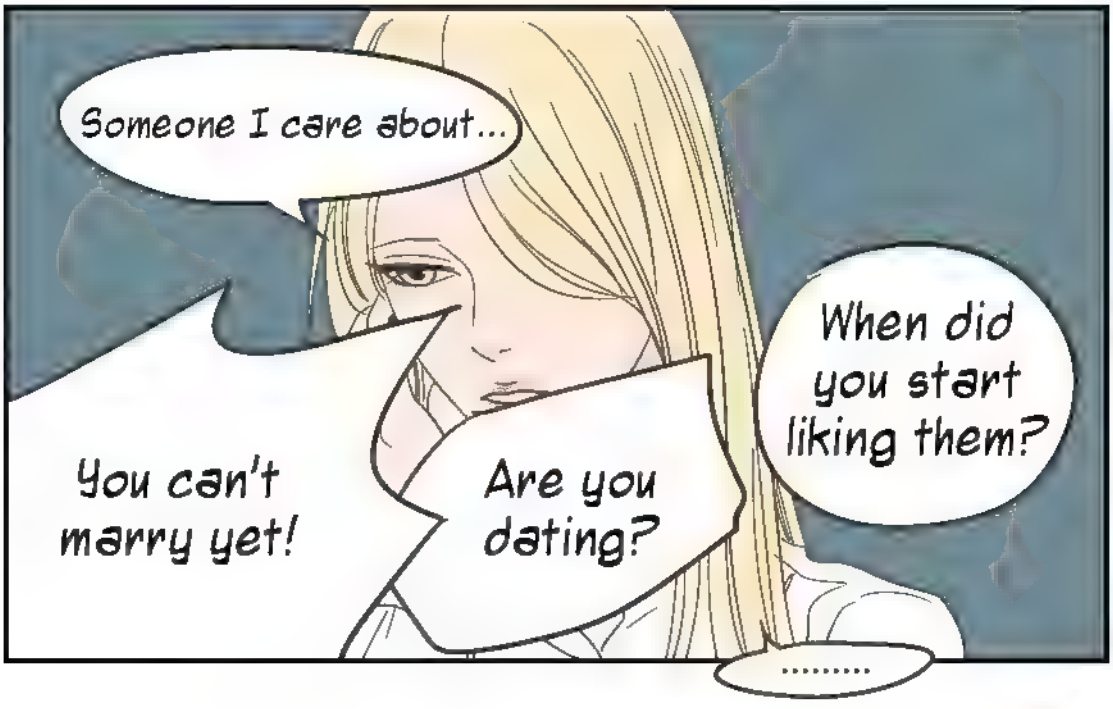




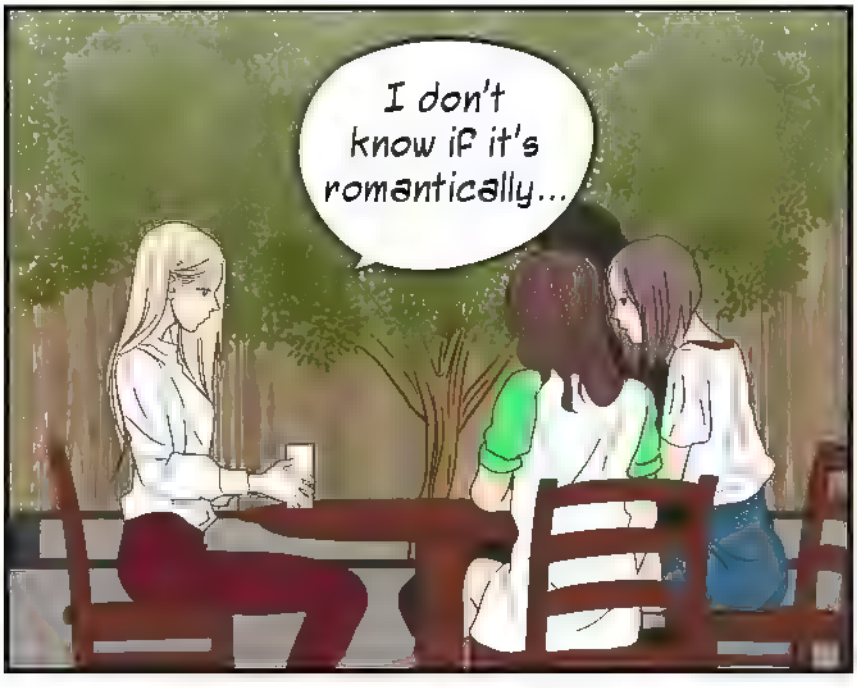
Guys, I...



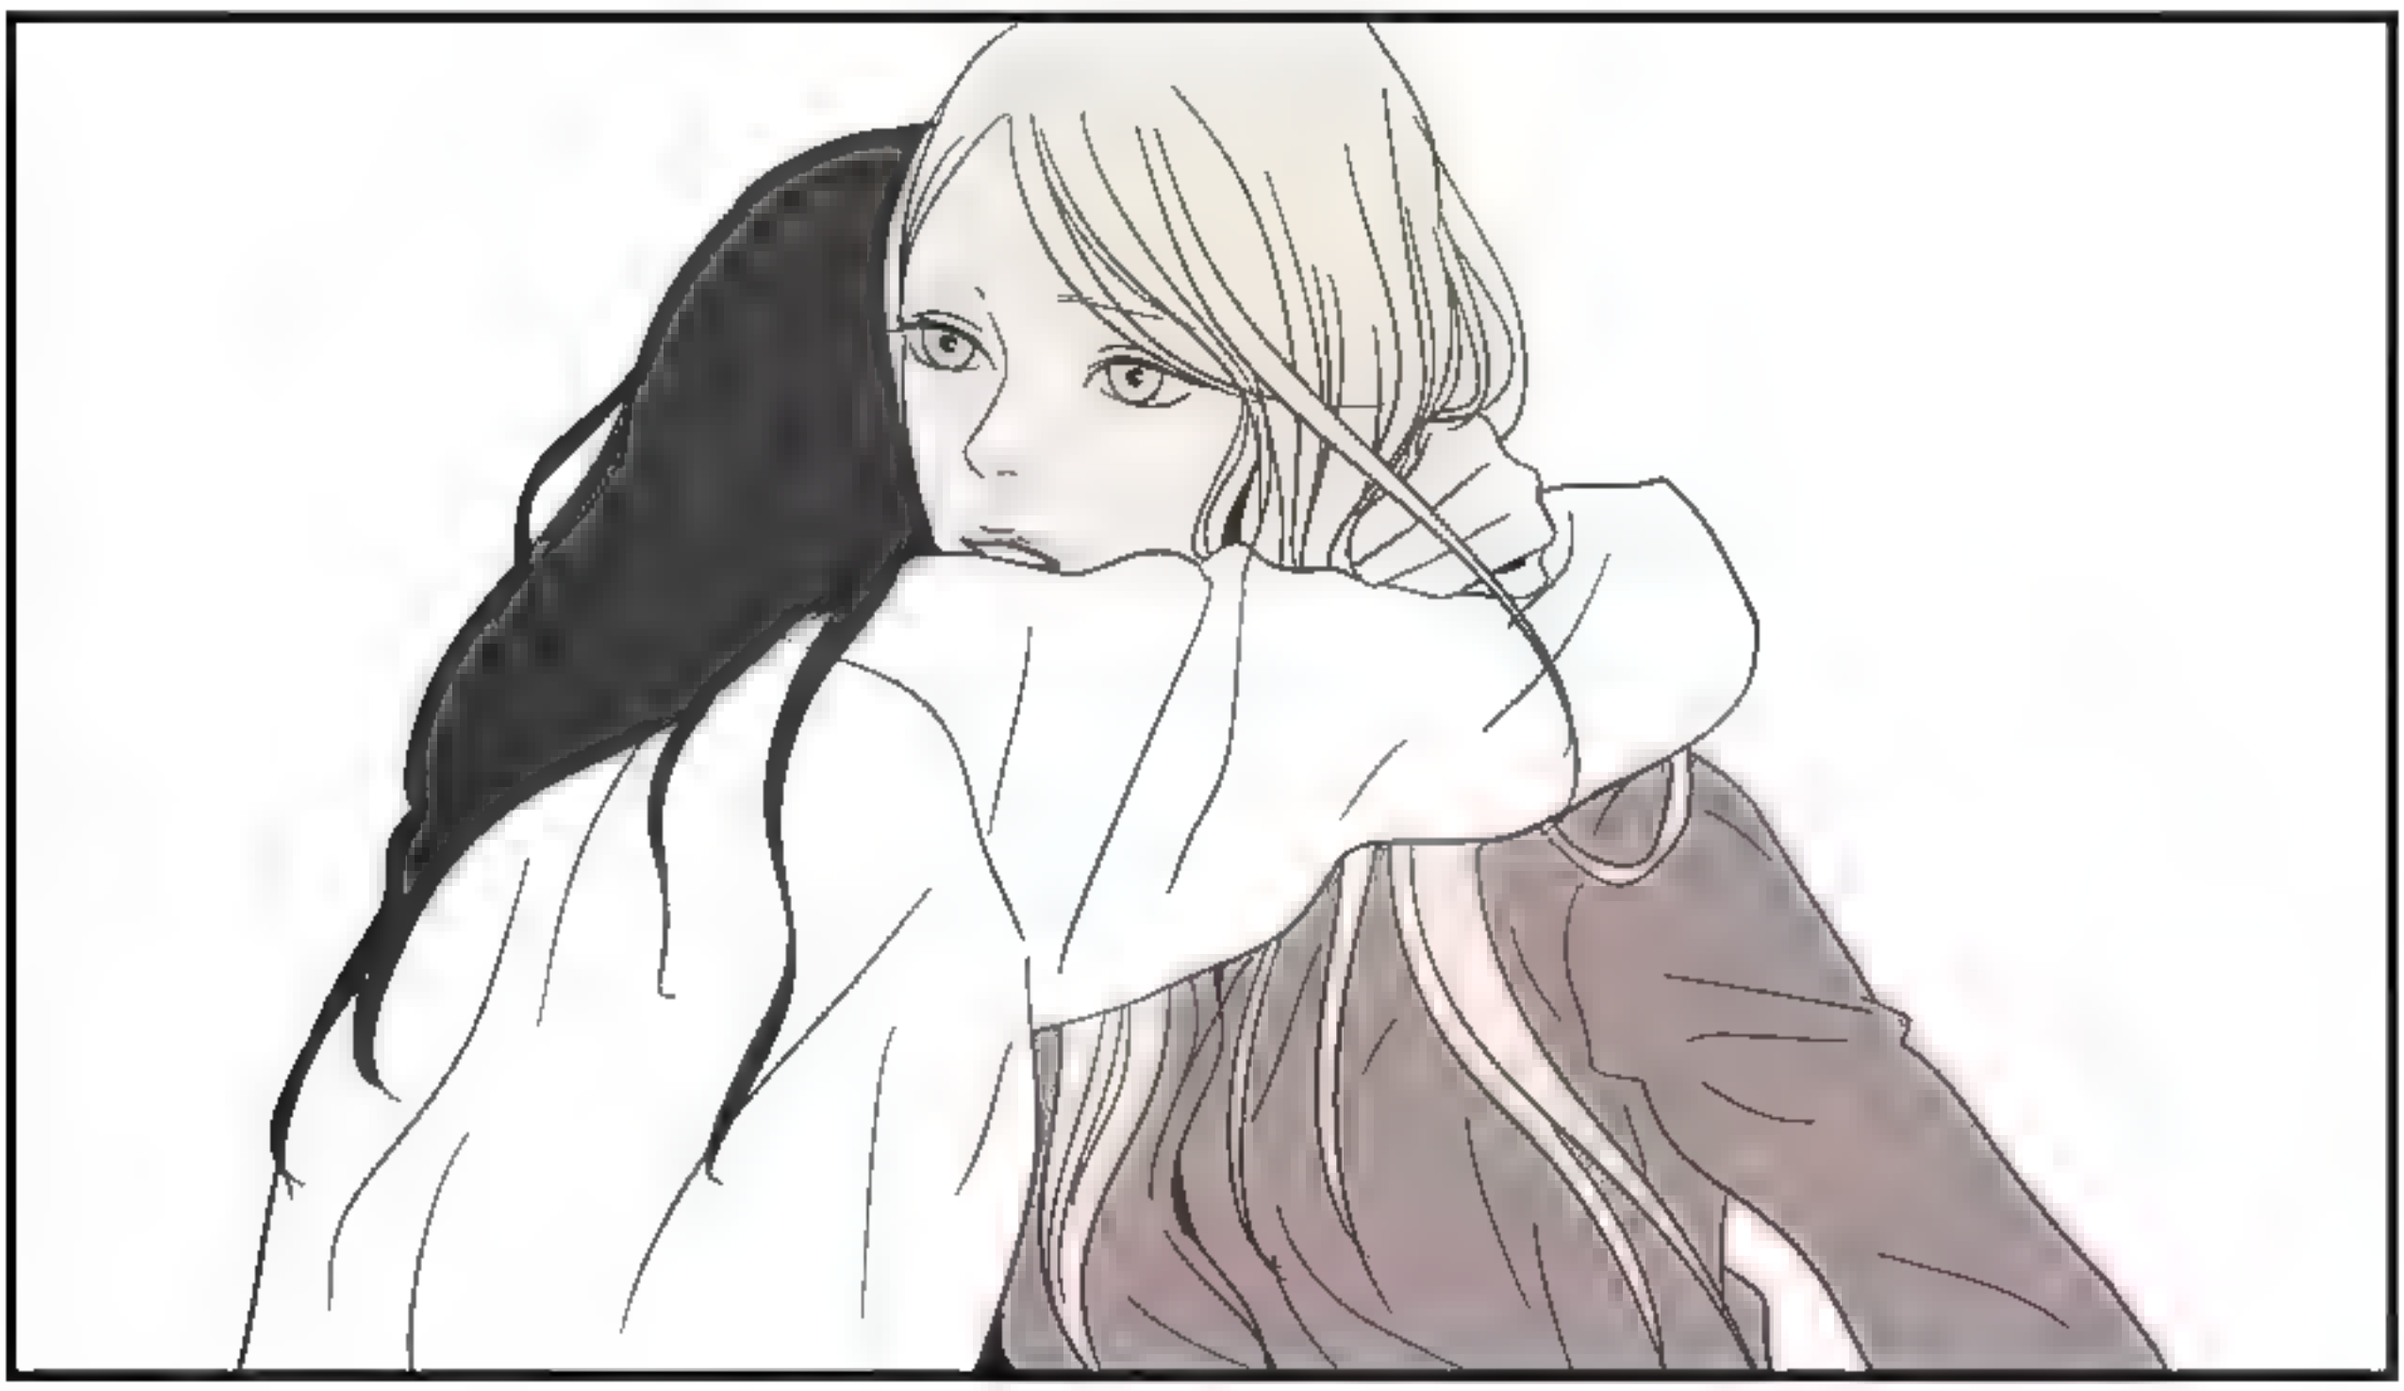
I have someone on my mind...
Really?
What did you say?
What?

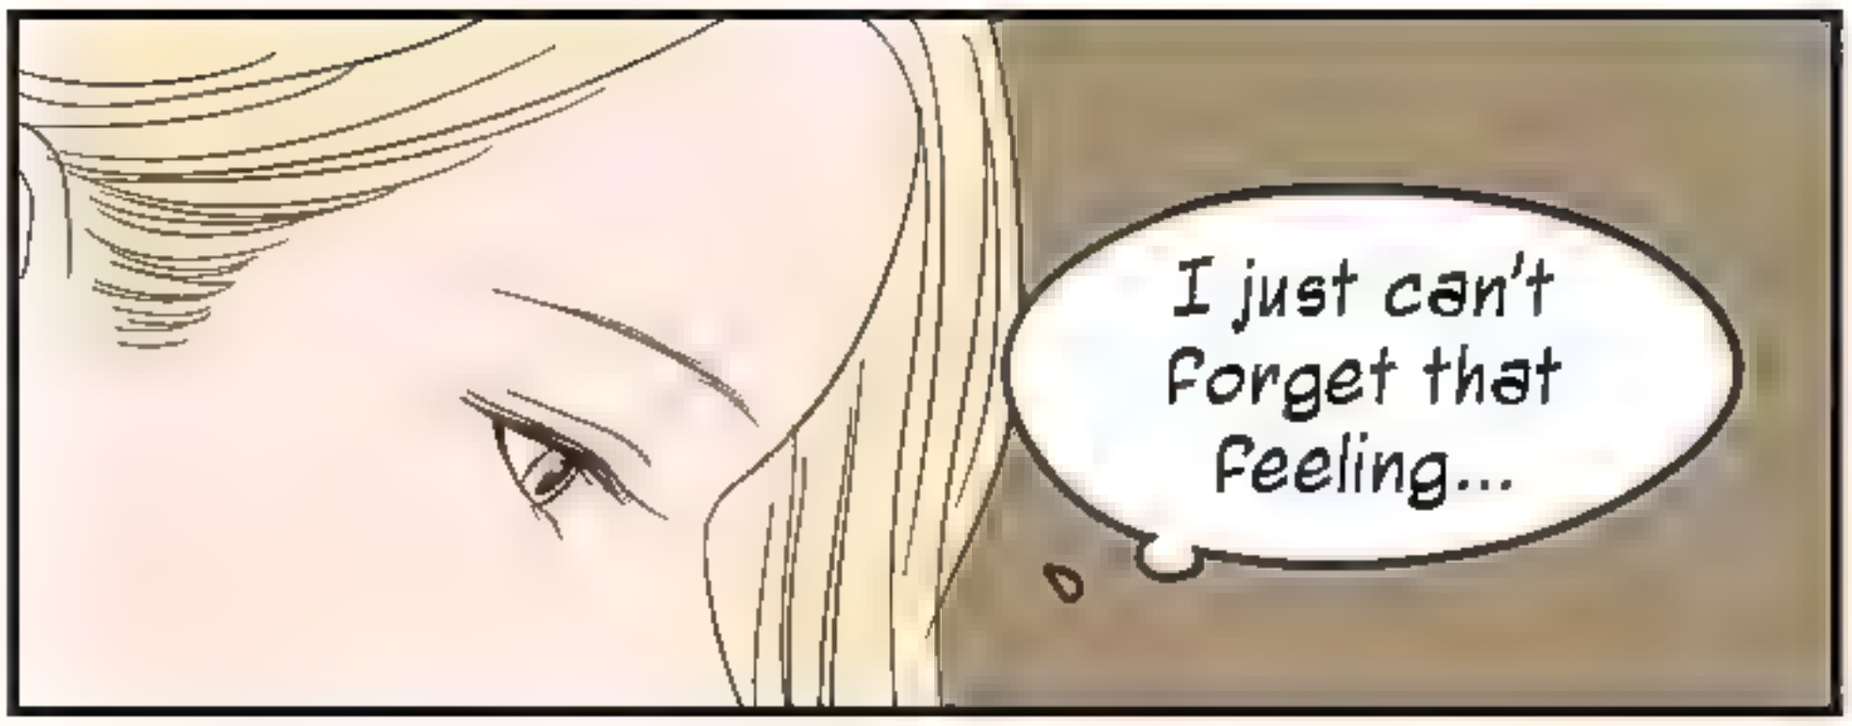


Someone I care about...
When did you start liking them?
You can't marry yet!
Are you dating?
.....



I don't know if it's romantically...





I just can't
Forget that
Feeling...

It's Ju Sungji...
Ha... I don't even know what's going on...
Because it's Sungji...

Okay, Sungji-ah... Listen.

So to know that you romantically like them...

You think about them subconsciously.

You'll think about them before you sleep.

You feel interested in knowing all about them.

Even if that person is as annoying as an ahjussi, you still think they're adorable.

You'd want to do what they do, and want to know about what they like.

You always want to give them something, take care of them.

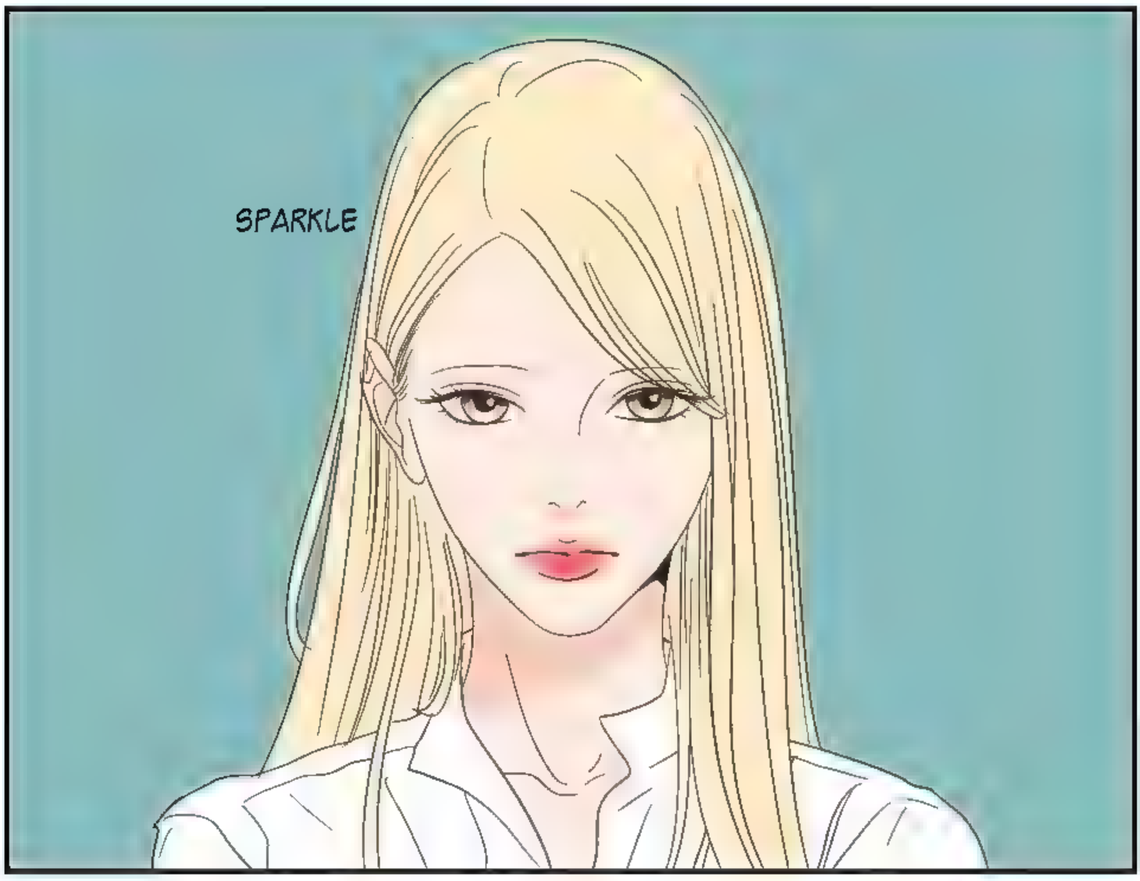
If you can't contact them you'll feel anxious and worried if something happened.

And you always want to stay together and be together with them.

You pay attention to everything they do.

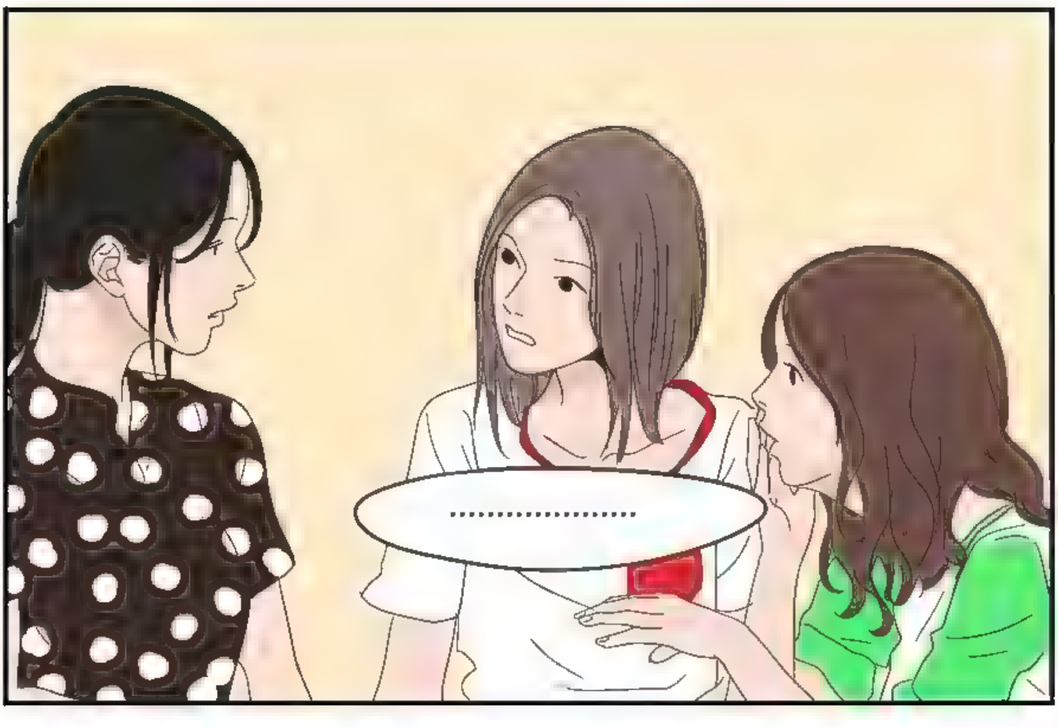
If you get to see their other side you'll feel special.

And you think that person is the most unique person in the world.



SPARKLE

What if its like that
right from the beginning?



.....

Then isn't that love at first sight?

I like...
